

## Welcome to alderspace

This is a part of the thoughtspace of Andrew John Alder, of Sydney, Australia

## Topics

capo - should a guitarist use one?

megachurches - some thoughts

fictional universes - why the current trend to provide them is in some cases inaccurate

copyright - Would we be better without it?

WORM drives - one of my professional failures

Christian Sexuality - a user guide (aka csaug)

blue balls - a csaug topic

Viagra - not all it may seem

Evangelism

The Bible

tremolo arms
